1. [ ] Security, advised us of an inquiry he has received from NASA Security concerning a question they received from Senator Prescott Bush with respect to a NEW YORK MIRROR article referring to a Cuban scientist and allegations in the article that Soviet technicians in Cuba were capable of influencing U.S. space flights. [ ] has contacted OSI who has little information on this and he is also discussing it with DD/P. The article specifically refers to CIA but no action is required by this office at this time.

3. [ ] Talked further with Fred Mesmer, on the staff of the Senate Immigration Subcommittee, concerning the [ ] case. Mesmer indicated that Senator Eastland has agreed to introduce a private bill and I gave him basic information for this purpose. Once the bill is introduced, we are to prepare for Eastland's use a memorandum of information in support of the bill. [ ] SR, will provide us information for this. I have also asked [ ] to keep [ ] posted on these developments so that they might prevail upon Immigration and Naturalization Service to expedite their report on the bill when it is requested.
